Ralph Wanger, dean of the capital investment of small capitalization, was the first to receive the Lifetime Achievement Award from Morningstarâ € à € ¢ ¢ ¢ Fund Managerâ € ¢. Even well -informed rumors can cause exaggerated reactions that could be exploited by the long -term investor. In addition to using a co-writer Wanger had a quarter of a century of animated and humorous investment letters to fall again in the writing of this book. Many small capitalization shares become cheap (Price to profits) in the bearish market, and one can load them up.) Financial. Apart from this, Wanger also quotes some studies against the time of the market. The analog between Zebra and the fund manager is very interesting. The whole Wangerâ € à € ¢ ¢ ¢ to reduce the field of play and make it practical was to use long -term issues. Since the competition is so fierce between assets of assets with a short -term horizon and the negotiation costs are high, Wanger opted to focus on an investment horizon of 4 to 5 years or even more. A book written in 1996 is so valuable in 2019. The criterion is that an action also ended in the portfolio was triple; Growth potential, financial strength and fundamental value. When the book was published, the stock market had had 15 years of the continuous bullish market (even if it was not always felt at the time) and from time to time even the directed level Wanger feels a bit - 90 â € ¢ Sâ € à € ¢ compared to the current â € à € ¢ cult of anti -quitiesâ € à ¢ ¢ ¢. The mastery of the purchase-and-retention is strong and the discussion about the risk management is short.â € à € ¢ if you want to stand out from the package, you have to be out of the package This book stands out for offering some interesting ideas that other books do not cover1) unlike others Wanger does not hit the poor MF managers, and realizes that if 90% of the market are controlled by MF's money, it follows that most of them will have a lower performance than the most broad â€ is realistic about (ala you and me) having the patience, diligence and access to resources (to companies/to markets/macro economic data) to claim to beat professionals, and establishes that while a few individuals may possess the ability to beat pros, most of us are better sticking to either a Index fund or choose a well known professional. In this book he openly shares how he pulled off his remarkable success.Small caps constitute a huge investment universe. He argued that by not using the same short term horizon as the in-the- rumour-mill-loop-locals çÃÃtheir edge washes out over timeÃÃÃ. When Wanger in 2005 deservedly threw in the towel after 33 years of portfolio management his benchmark could show a commanding 12 per cent annual return. I, too, have some of the small-cap stocks (like Globus Spirits) in my portfolio that have turned out to be giving 400-500% returns.So, Ralph Wanger, who made his fortune through small-cap stocks, has shared some important points while picking up supplies. Reversion to Mean3. Unfortunately this one lacked any useful new information that will really help in the analysis. Some financial schemes are Ponzi schemes5. Guided by the themes Wanger and his co-workers created a list of roughly 600 stocks that they could consider owning and that they monitored weekly for outlier movements in share price or consensus earnings. Read, only if you are not much into finance and are a beginner. During the second part of his career Wanger went from investing in US small caps to invest globally. In the world of investments, as Ralph points out, it's the zebras that survive. Compound Interest2. The book is peppered with some dry humor from time to time, and is a breezy read. He says only 5% days give most of the returns.He has some laws for long-term investors too: 1. By sticking to his strategy of themes and strict investment criteria Wanger argues he got the strength to stay out of the latest investment fads and it also made it possible to screen out much of aAroyam al euq ecuded es ,FM ed orend le rop odalortnoc iAise odacrem led %09 le is euq ed atneuc ad es y ,FM ed setnereq serbop sol a aeplog on regnaW ,sorbil sorto ed aicnerefid A)lnerbuc on sorbil sorto euq setnaseretni saedi sanugla recerfo rargol rop acatsed es orbil etsE ,orbil narG n'Aisrevni ed osac nu 'Aicader es n'Aicatoiuxe adac araP ,eulaV n'Aisrevni ed oicapse le ne sodAel siAm sorbil sol ertne aAracram ol ,aroha ole©Al ,airadnuces al ne ole©AL ,oesap le oid seraluatcepsse sodatiuser ©Aiq y aAroyam al euq n'Ael led sAap le ne sojel siAm 'Arutneva es euq arbec anu adud nis euf regnaW ,serolav ed odacrem le ne setnacifitarg omoc Åsa ,sadagseirra naredisnoc es euq sal nos n'Aicazilatipac a±Æueqep ed senoiCCA sal ,etnemlamroN radrocer a sotnup sert nos erehT.pu solragrac edeup onu y ,atsijab odacrem le ne ,saicnanag sal a oicerp(sotarab nevlouv es n'Aicazilatipac a±Æueqep ed senoiCCA sahcum ,avitagen n'Aicamitse ed serorre ed oqseir le noreyunimsid A regnaW ed etnem al ne euq n'Aicarud agral ed aloc ed soineiv omoc norautca samet sol ontat ol rop y atreinci yum aserpme anu se ortutif le ne artneda es euq aserpme anu arap sanutrof sal ricederP ,orbil narG elbAercni omoc 'Acifilac ol kcirblihP belaC 8102 ,31 nuJ ,serolav ed odacrem le ne setnacifitarg omoc Åsa ,sasogseir naredisnoc es euq sal nos n'Aicazilatipac a±Æueqep ed senoiCCA sal ,etnemacipAT 'Åtsug el 'Acifilac atheM lihsraH 2202 ,03 naj ,elbatner orep odirruba ohcin odacrem nu odnanimod lairaserpme n'Åitseg anu ed s©Avart a etnemelbireferp ,soicifeneb ed otheimicerc y selbAerc satnev renet aAreb ed aserpme al .n'Aicamrofni ed oro ed anim anu se atsijab odacrem odasap le erbos oditrapmoc ah euq saedi sal ed sanugla .B ttaM 2202 ,80 enE 'Åtsug eM aiciton al 'Arolav vanarP siAm... .n'Aicazilatipac a±Æueqep ed senoiCCA ne PRAG ed rostrevni nu se regnaW ,selitr©Åf sonerret a olraiuq arap sacim'Anoce o sacinc©Åt ,selaicoc saicnednet ed anecod aidem odazilacol aAbah otnemom reiuqlauc nE ,etnemetnatsnoc necudorp soidem y srekorb euq odiur regnaw regnaw hplar ,zev arto y anu soipicnirp socop somsim sol gijer solle ed aAroyam al y ,senoiCCA ed n'Aicceles / rolav ed n'Aisrevni erbos sorbil ed sanecod yaH le neneit euq Joy y 'At omoc(selaudividni / satsironim serosrevni sol ed acreca atilaer sE)Zoilpma siAm ecidnA la roirefni otheimidner nu iArdnet solle A dean of investment' a small whim and, while he uses the book, he feels himself interacting with the best mind.
